Composite Disclosures

HGI Emerging Markets Value Equity Composite

The Hansberger Global Investors, Inc. Emerging Markets Value Equity Composite consists of all fully discretionary portfolios, managed by HGI's Value Team, invested according to HGI's value equity style in equities of companies domiciled in emerging markets. Cash is a residual of the investment process. This composite was created on June 2001.

The firm is defined as Hansberger Global Investors, Inc. A list of the firm's composite descriptions is available upon request. This product's standard fee schedule is 100bp on the first 50 mil., 85bp on the next 100 mil., and 75bp thereafter. Composite returns are net of withholding taxes on dividends. Net-of-fee returns are calculated using a model fee consisting of one quarter of the highest annual fee on this product's standard fee schedule, taken quarterly in arrears. Benchmark returns are presented gross of withholding taxes. Policies for valuing portfolios, calculating performance, and preparing compliant presentations are available upon request.

The MSCI Emerging Markets Index measures the returns of equities of companies which are domiciled in emerging markets. The index is float weighted with gross dividends reinvested. Investors may not invest directly in the index.

Hansberger Global Investors, Inc. claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. Hansberger Global Investors, Inc. has been independently verified for the periods from inception through December 31, 2010.

Verification assesses whether (1) the firm has complied with all the composite construction requirements of the GIPS standards on a firm-wide basis and (2) the firm's policies and procedures are designed to calculate and present performance in compliance with the GIPS standards. The Hansberger Global Investors, Inc. Emerging Markets Value Equity Composite has been examined for the periods from composite inception through December 31, 2010. The verification and performance examination reports are available upon request.

During the year 2007, Natixis Global Asset Management, L.P. (then known as IXIS Asset Management US Group, L.P.) increased its minority stake in HGI's parent company to become the majority and sole non-employee shareholder of the parent company. In conjunction with this transaction, founder Thomas Hansberger resigned and Ronald Holt assumed the title of Chief Executive Officer and Co-Chief Investment Officer-Value Team of HGI.
