Composite Disclosures

HGI International Growth Equity Composite

The Hansberger Global Investors, Inc. International Growth Equity Composite consists of all fully discretionary portfolios, managed by HGI's Growth Team, invested according to HGI's growth equity style in equities of companies domiciled outside the U.S. Cash is a residual of the investment process. This composite was created on December 2008.

The firm is defined as Hansberger Global Investors, Inc. A list of the firm's composite descriptions is available upon request. This product's standard fee schedule is 75bp on the first 50 mil., 50bp on the next 100 mil., and 40bp thereafter. Composite returns are net of withholding taxes on dividends. Net-of-fee returns are calculated using a model fee consisting of one quarter of the highest annual fee on this product's standard fee schedule, taken quarterly in arrears. Benchmark returns are presented gross of withholding taxes. Policies for valuing portfolios, calculating performance, and preparing compliant presentations are available upon request.

The MSCI All Country World Index Excluding U.S.A. measures the returns of equities of companies which are domiciled outside the U.S. The MSCI EAFE Index measures the returns of equities of companies domiciled in developed markets in Europe, Australasia, and the Far East. Both indexes are float weighted with gross dividends reinvested. Investors may not invest directly in these indexes.

During some periods, the composite contains at least one portfolio which is net of a bundled fee consisting of trading expenses and custody costs. Both the gross and the net returns are net of the entire bundled fee. Period-end composite accounts with bundled fees as a percent of total composite assets were as follows: 0.5% in 2007, 0.5% in 2008, 0.5% in 2009, 0.5% in 2010.

Hansberger Global Investors, Inc. claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. Hansberger Global Investors, Inc. has been independently verified for the periods from inception through December 31, 2010.

Verification assesses whether (1) the firm has complied with all the composite construction requirements of the GIPS standards on a firm-wide basis and (2) the firm's policies and procedures are designed to calculate and present performance in compliance with the GIPS standards. The Hansberger Global Investors, Inc. International Growth Equity Composite has been examined for the periods from composite inception through December 31, 2010. The verification and performance examination reports are available upon request.

During the year 2007, Natixis Global Asset Management, L.P. (then known as IXIS Asset Management US Group, L.P.) increased its minority stake in HGI's parent company to become the majority and sole non-employee shareholder of the parent company. In conjunction with this transaction, founder Thomas Hansberger resigned and Ronald Holt assumed the title of Chief Executive Officer and Co-Chief Investment Officer-Value Team of HGI.
